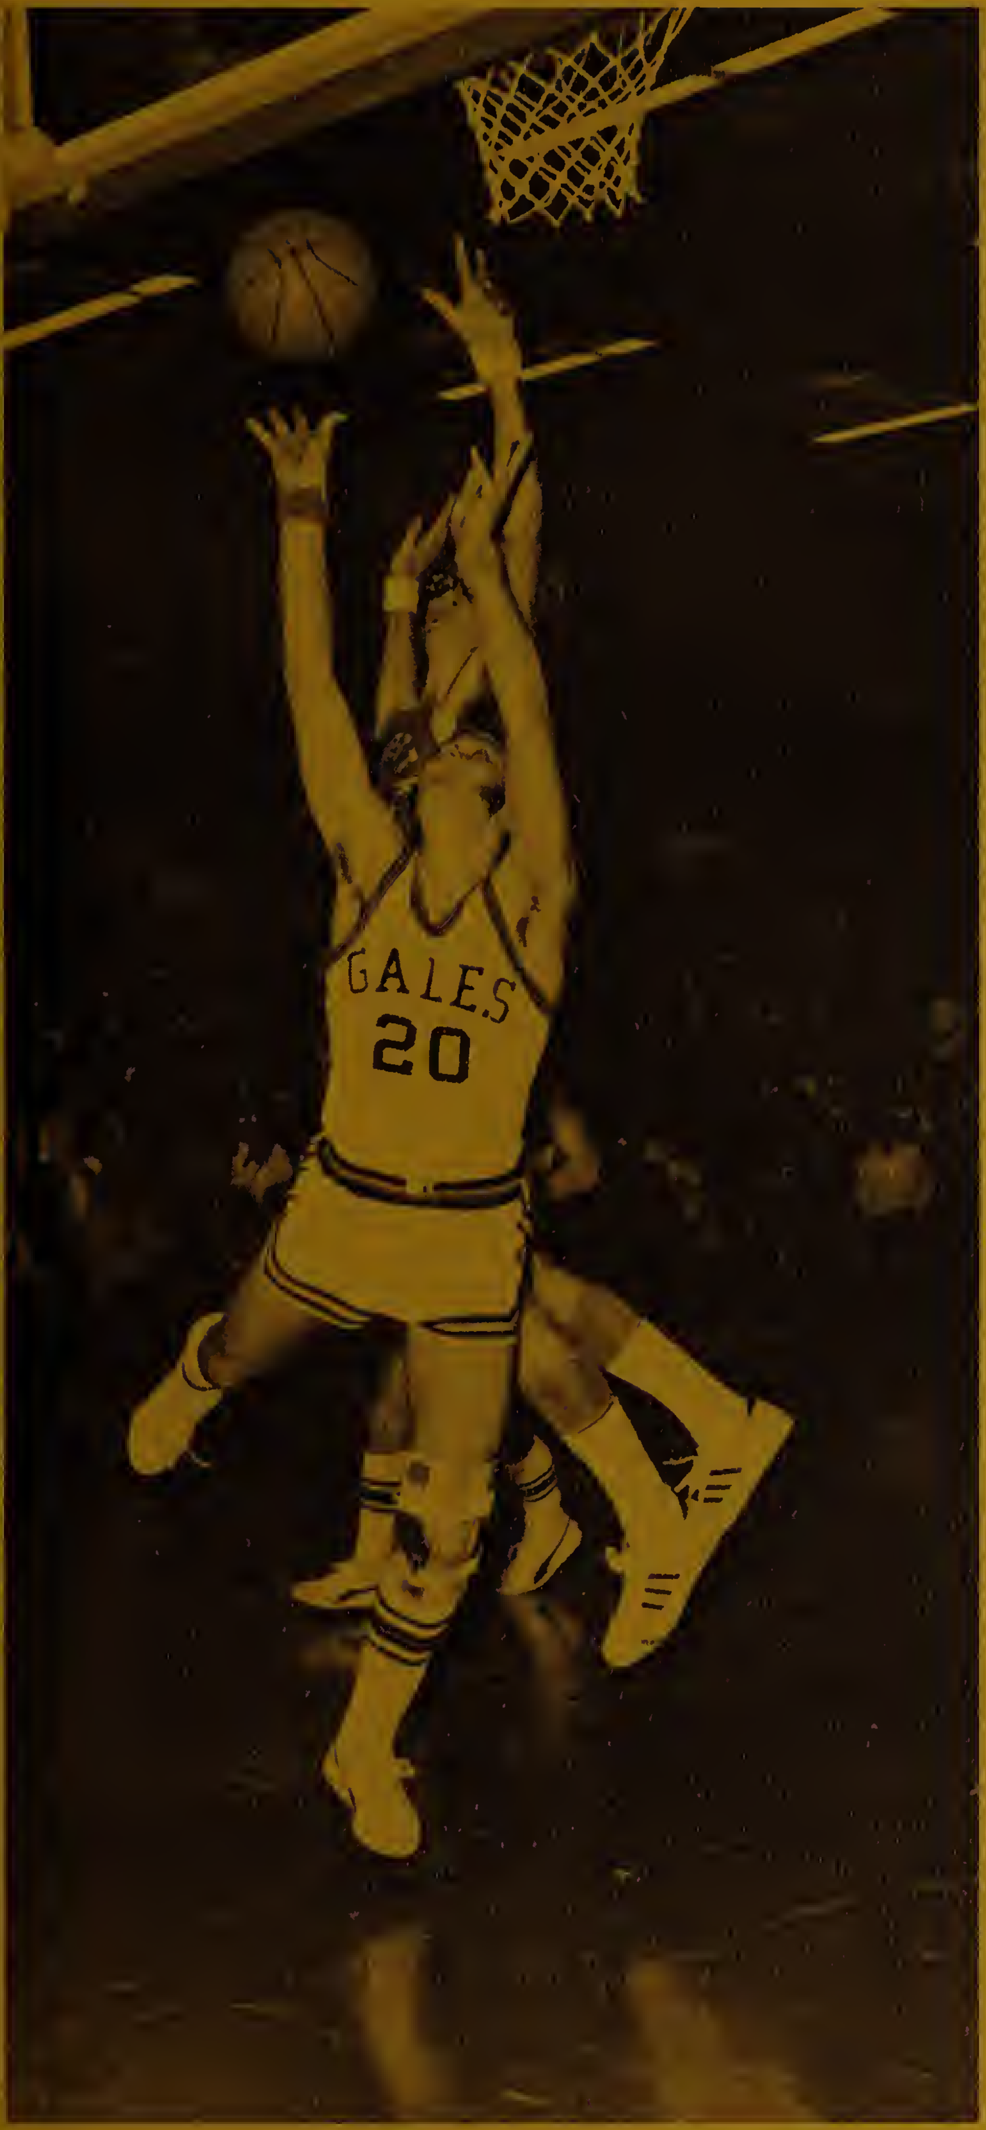
"More experiences and sights, stranger than you'd think for; Times again, now mostly just after sunrise or before sunset, Some-times in spring, oftener in autumn, perfectly clear weather, in plain sight. People and scenes, animals, trees, colors and lines, plain as could be, Now and then mark'd faces of sorrow or joy . . ."

Walt Whitman Mirages

"Don't hurry spring, the wind still trembles in the empty trees . . . Another week perhaps when skaters leave the pond. Now for a while longer we can have the park to ourselves."

—Rod McKuen



"Hang on to your hopes my friend;
That's an easy thing to say,
But if your hopes should pass away
simply pretend that you can build
them again . . . "
—Simon and Garfunkel

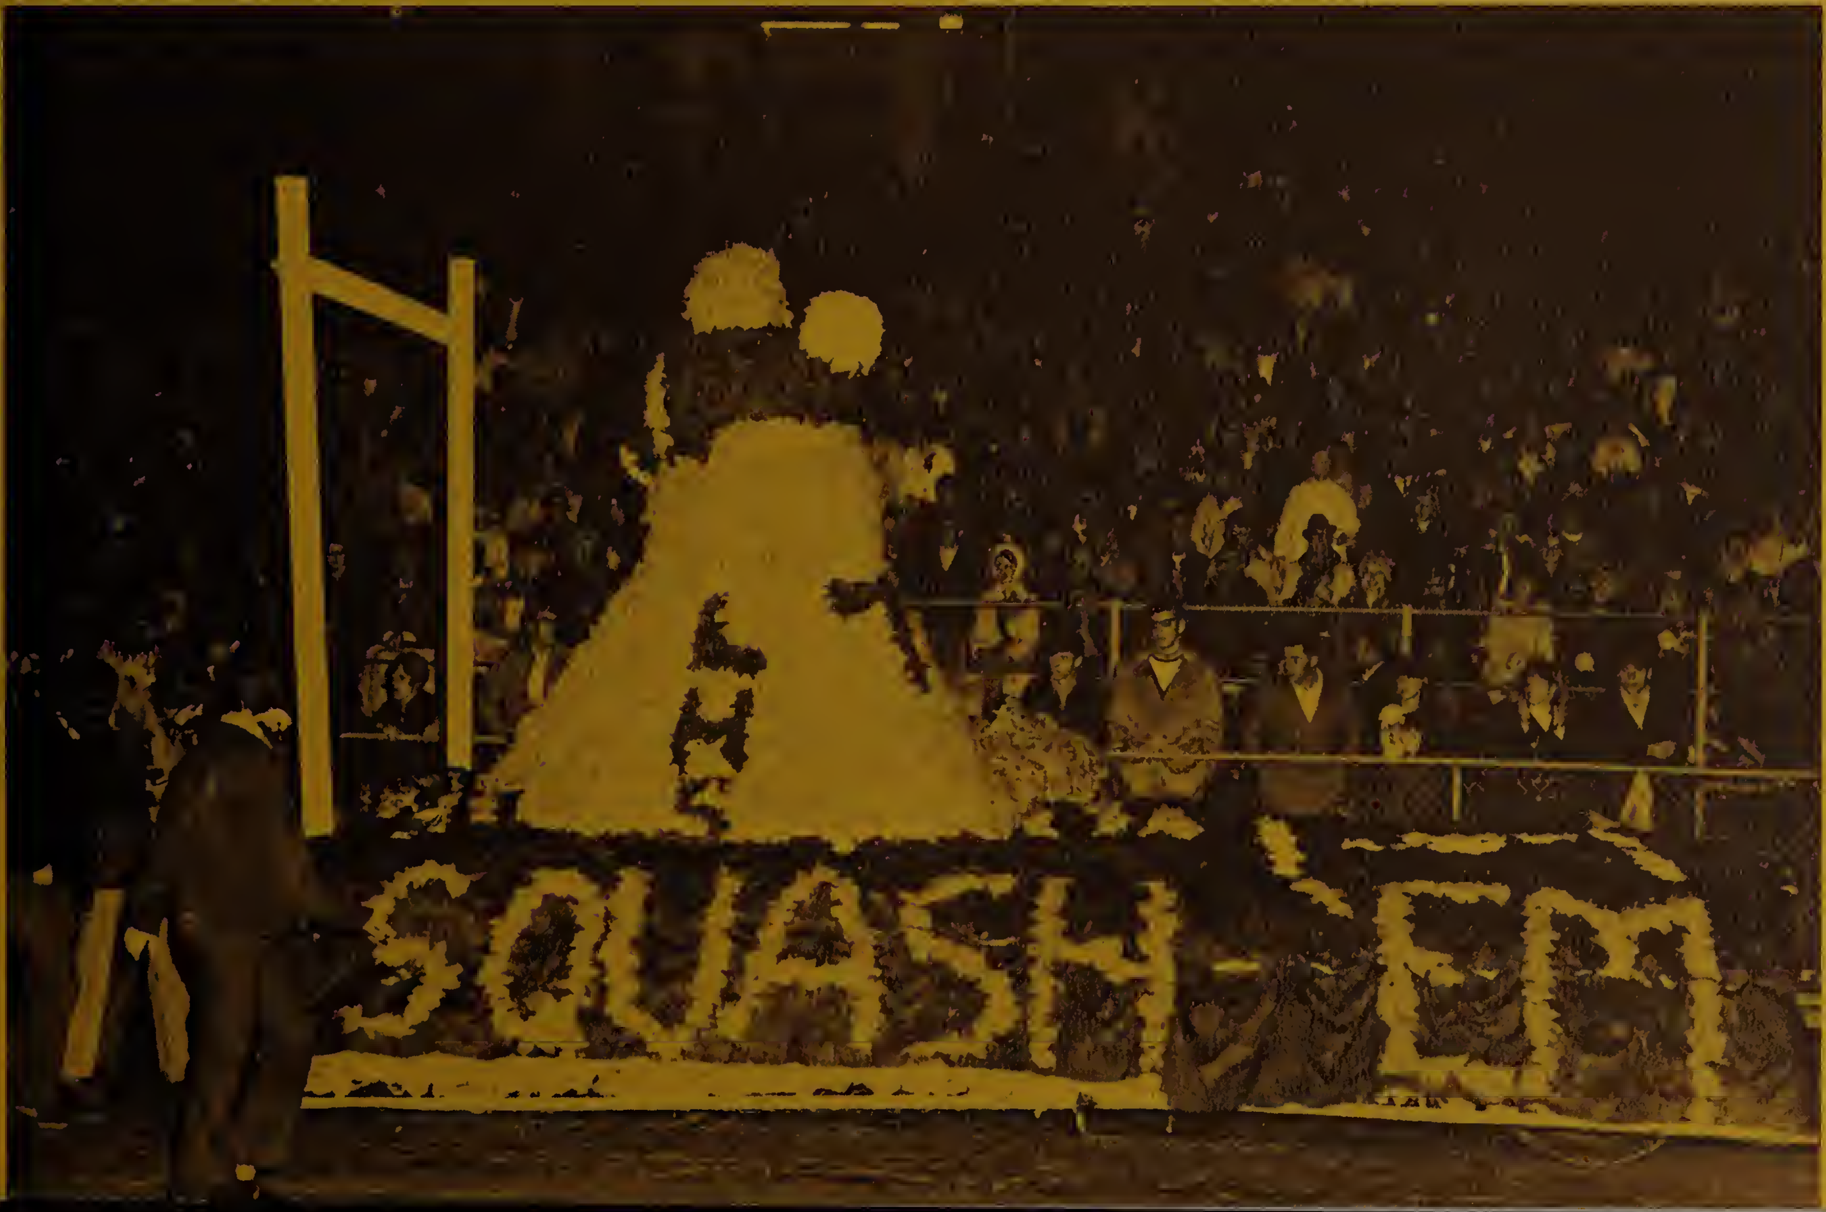
"Moons and Junes and ferris wheels
The dizzy, dancing way you feel
As every fairy tale comes real;
I've looked at love that way . . ."
—Both Sides Now

Even amid all of the confusion of a busy year, some things never change . . . the spirit of competition and the pride of "Our Mighty Gales."

DROP-UM

KEEP THE SCHOOLS AFLOAT

"Harmony and under-
standing
Sympathy and trust
abounding
No more falsehood, lies,
derisions
Golden living, dreams of
visions . . ."
—Aquarius



"To live each day the best I may, the hours
with service filling. To ne'er be sad,
but always glad and sound and well,
God willing . . .

NATIONAL
HONOR SOCIETY

So make my place a little trace the better for my living."

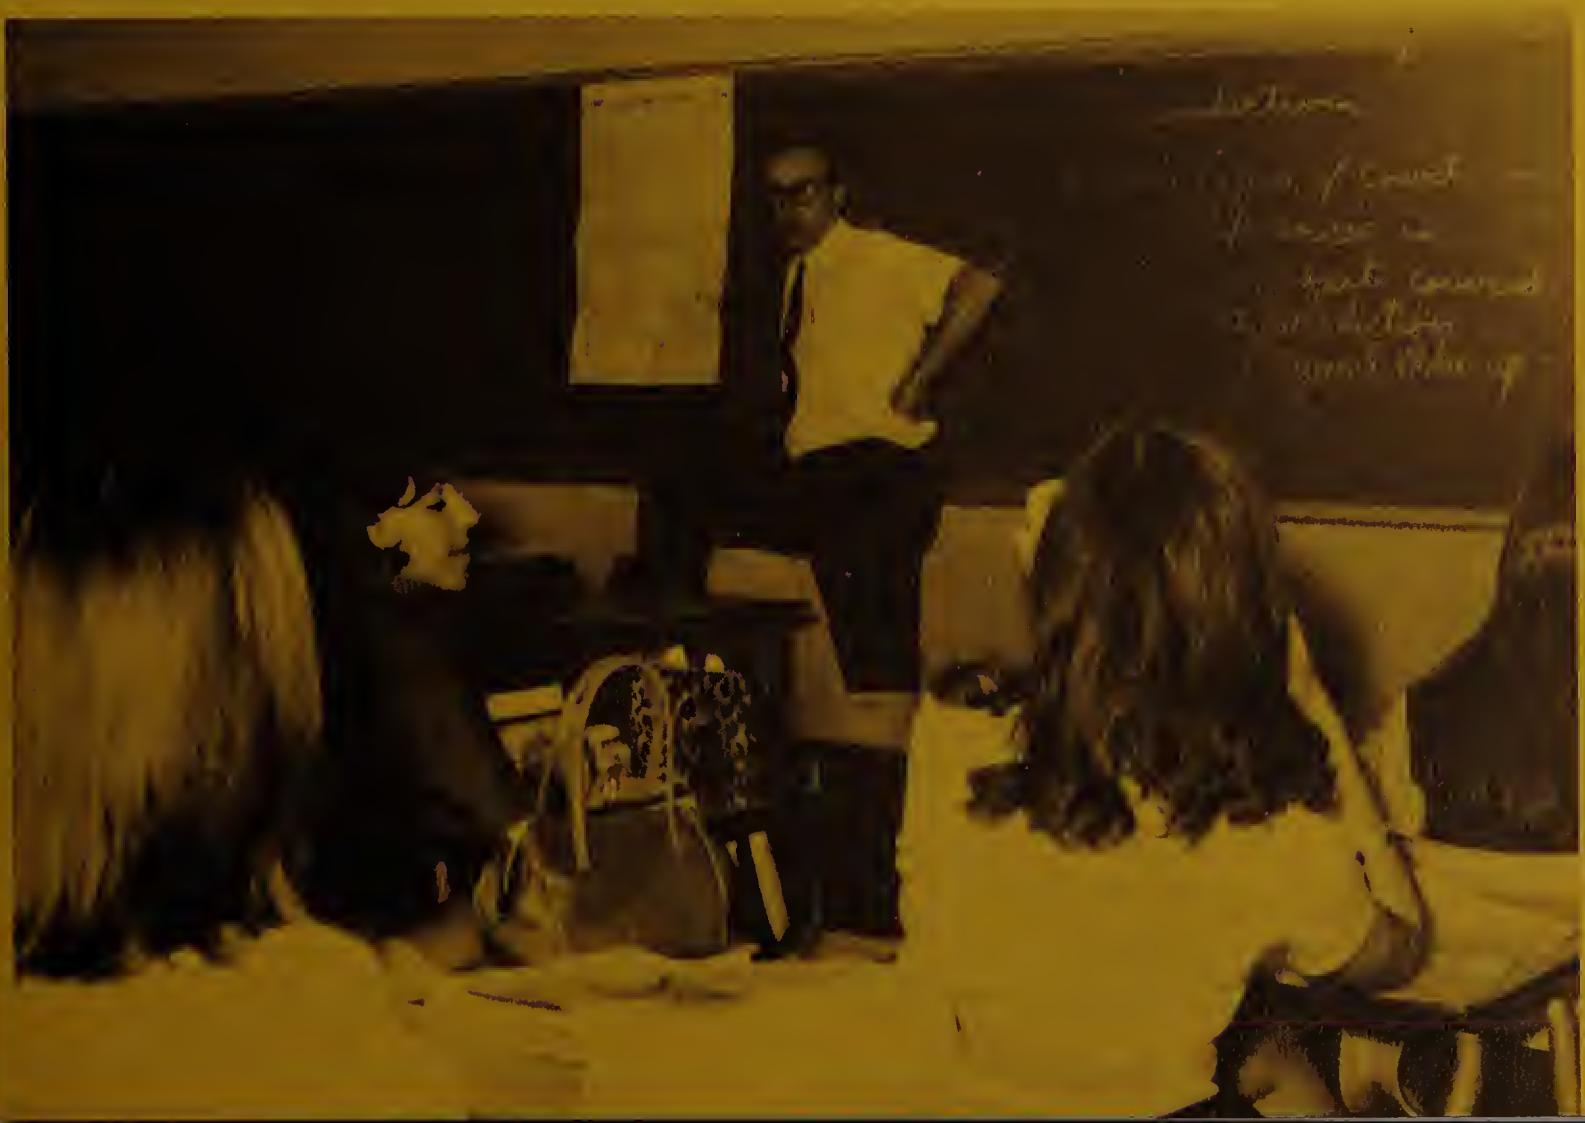
FIRE

"Life, life is what you make it, well now some people say; but I can't live this life alone, I got to have someone to help me, help me along the way . . ."



"I recall the past with all the warmth of the present, for all I do or all I have done is a part of me; a part of me that I will never lose."

—S.E.A.

"Schooldays, so they tell us are the Most sublime of our lives. We'll have the time of our lives it's the absolute prime of our lives . . . .

"Schooldays so we gather are the best we'll ever know, and if that really is so well, it comes as a bit of a blow. I mean, if the schooldays are the best of our lives imagine the rest of our lives! Schooldays, Schooldays Never Let Me Go!"

—Goodbye Mr. Chips

"To be a worthy part of life, you must do more than exist. You must reach out and conquer the unknown, always searching for the answer."

—S.E.A.

"Someone has blended the plaster, someone has carried the stone . . . only by working together have men accomplished a thing . . ."
—anonymous

"Just as my fingers on these keys make music, so the self-same sounds on my spirit make a music, too."

The starting of each day is always the hardest task we have to perform. Yet, if someone with a pleasant smile says, "Good Morning," then our day becomes a pleasant success from the start.
—"Carillonic Peals"

"In the morning of my life I shall look to the sunrise, at a moment in my life when the world is new, and the blessing I shall ask is that God will grant me to be brave and strong and true, and to fill the world with love my whole life through . . ."

"In the evening of my life
I shall look to the sunset,
at a moment in my life
when the night is due,
and the question I shall
ask only I can answer.
Was I brave and strong
and true? Did I fill the
world with love my whole
life through?"
—Goodbye Mr. Chips

Faculty

During the last two decades many important changes to the Lancaster High School have occured. The faculty has tripled in number as well as the student body. However, the more dramatic changes have been those covering the social and political aspects of education. Priorities on course content as well as learning processes have presented today's faculty with great challenges.

Lancaster has always been fortunate to have many great teachers on its faculty. The present faculty has met the challenges of today by adapting itself to this rapidly changing world.

I am proud to have been a member of this faculty for so many years.

Freshmen

On the first day of school the class of 1974 was represented by a conglomeration of anxious students from three different junior high schools. But by the end of the year they had united to form one class with true spirit and the determination to get work done. The first step in that direction was the freshman carwash. Of the 75 who gave their time, not one left dry, or disappointed with the results. The so-called underdog class also proved themselves at homecoming by encouraging hundreds of voters to "Keep Our Schools Afloat." The class showed even more responsibility by sponsoring many projects in order to attend the January assembly. By working together the class of '74 achieved its goals and was rewarded with a well-deserved semi-formal prom.

Sophomores

The beginning weeks of classes at Lancaster High were filled with confusion and excitement! We, also new, found trying to help the freshmen a true test of patience. Meeting new friends, joining clubs, and attending sports events showed us that high school is more than merely being in classes. The athletic ability in high school was deep and very competitive. However, the determination of every sophomore team was backed by a powerful force called school spirit. To prove that the sophomore class is "where it's at" we built the winning Homecoming float, "Put a Tiger in your Gale".

Our scholastic ability stood out when we placed many students on the honor roll. The sophomores would like to thank all the people who helped in class projects and especially our class advisors, Mrs. Alspach and Mr. Wheeler. After a summer of rest and fun, we will return as a leading junior class.

Juniors

The Junior Class began the 1970-71 school year with the usual spirit and goals, but this year had the additional advantage of financial solvency, thanks to three successful dances and a car wash. This enabled the Class of 1972 to get off to a good start—they took second place with their unique Homecoming float entitled "One Small Step for a Gale, One Giant Leap Towards the COL", and contributed to a successful levy campaign with a full page ad in the **Eagle Gazette.** A Valentine's Car Rally added excitement to the usual mid-year doldrums. The highlight of the year was the Prom, held in May. It was a fitting finale to a profitable and enjoyable year—one which will indeed send the juniors on to a rewarding and successful senior year.

Seniors

I would like to take this opportunity to thank all those who made our three years of high school memorable.

Our class has had the distinct privilege of working with two fine administrators, Mr. Fred Lowry and Mr. Jack Moore.

The Class of 1971 has achieved much in the line of community service. Social activities and parties enlightened the academic year.

Many fine athletes in the class have contributed their time and ability for the enjoyment of the school and the citizens of the community.

As members of the 1971 Mirage Staff we wish to present this year's Mirage to the students of Lancaster High School. After many months of preparation and hard work, we feel that we have created a book in which we all may take pride. It is our sincere wish that you will appreciate and enjoy this publication and that each memory of your years spent at Lancaster High will be filled with respect and love.

Sincerely,
The Mirage Staff

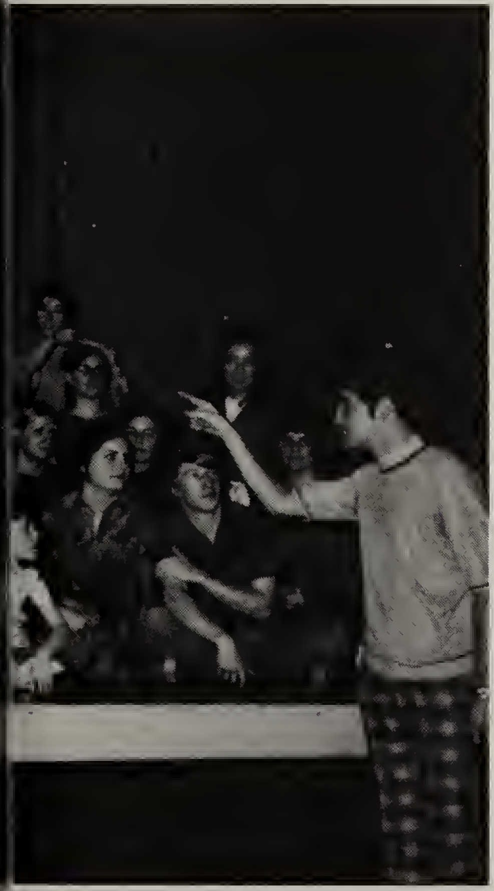
THE TEAHOUSE OF THE AUGUST MOON

Presented by the Senior Class



This story by John Patrick is a tale of a United States occupation team in post war Okinawa. The team is aided by a native interpreter. A spit-and-polish colonel and a victimized captain encounter many difficulties with the natives. Only the interpreter, Sakini, can straighten things out.

"This is the story of a common flower girl who was transfigured to a lady of high society with the help of Professor Higgins, a renowned speech instructor. The place is London. The time is 1910. . ."

Gale Baseball Season Exciting

After getting off to a slow start, Lancaster High School's diamond men turned what was developing into a poor season around with five wins in their last seven regular season starts. Coach Farmer was extremely pleased with the consistent performance of Senior Pat Powers. Other standouts were seniors Steve Romine and Tim Hall, whose fine showings were at times overshadowed by either the play of Pat or team defeat. Farmer's nine got to the finals of the Sectional Tournament, where Sheridan upended them and brought their season to a close.

Although many underclassmen will be returning next year, they will have some large holes to fill, particularly at the critical spot of pitcher, where only Tener and Boyer will be returning.

Golfers Cop 2nds in COL And District

The 1970 Gale golf team had one of its most successful years in the history of the school, as it stroked its way through miserable weather to a won-lost record of 16-4. Coach Fenstermaker's team, stacked with underclassmen, repeatedly turned in consistent performances. Miles Cumberland paced the team all year, closely followed by Senior Dave Virden. Needless to say, the team has much to look forward to next year.

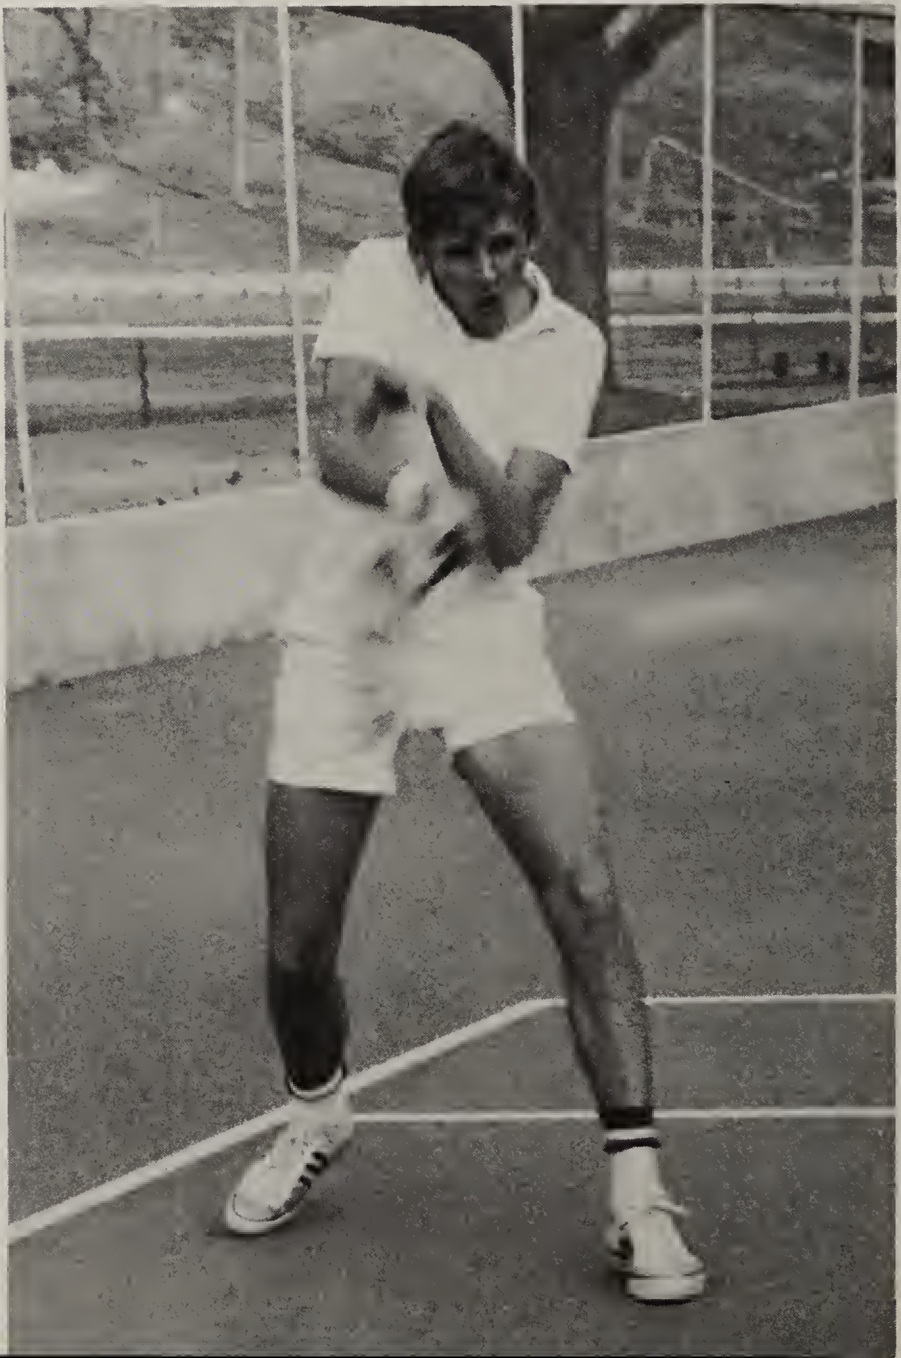
Tennis Team Very Successful



Lancaster's tennis team, under the able guidance of first year Coach Tom Nelson, fought to its most successful season in the history of the school. Although many season matches were cancelled because of poor weather, the Gales finished with a 6-4 winning season, losing only to State Champs Upper Arlington and state ranked Whetstone and Columbus Academy. Returning lettermen Ticknor and Oetjen made fine showings in the COL match, while Hammond and Essman went to the 3rd round of the District, the farthest yet for any Lancaster players. The doubles team of Akin and Hester completed the school's most successful individual season record, and although both are seniors, next year's team should be very strong.

Gales Have Superb Season

Lancaster's 1970 track team proved to be the best in the history of LHS. Our Gales tickled Coach Hamm by defeating arch-rival Upper Arlington in a dual meet. This was U.A.'s first dual or triangular meet loss in 6 years and 35 wins. The team was upset with its fine 2nd place showing in the COL meet because the coaches and runners felt that they could have again whipped U.A. However, instead of letting this meet disturb them, the Gales bounced back to capture both the Fulton Relays Crown and their 7th consecutive District Title. Lancaster had three district winners: Wittman, in the shot put; Cole, in the low hurdles, and the phenomenal Bill Beaty in the mile and ½ mile. Bill followed this performance by becoming only the 2nd runner in the history of this school to win a state track event, the mile run.

Bill Beaty was the first Lancaster runner to be invited to the Golden Midwest Meet, where he placed 3rd in the 2 mile. From there, he was invited to the biggest track meet in this country, the Golden Far West. Only 8 runners for each event in the country were invited. Bill placed a fantastic 4th in the 2 mile, and of course, was named All-American for the second year in a row.

GALES 6th IN STATE!

The 1970 L.H.S. football team proved to be unquestionably the best team Lancaster has ever produced. Under the superb guidance of Head Coach Earl Jones and his staff, our Gales scrapped their way to a won-lost record of 8-1-1, and an ultimate state ranking of 6th. A total of three points kept the Gales from an undefeated season and a possible state ranking of 1st. Only Springfield South and arch-rival Upper Arlington managed to give the Gales a contest. Springfield came away with a tie as injuries popped up which crippled the Gales. Then, before an estimated crowd of 11,000 or more, Lancaster fell to undefeated Upper Arlington by a single point for its only loss. The bitter defeat also caused the Gales to take 2nd place in the C.O.L.

So many players were standouts on the team that it is senseless to attempt to list them in this small area. In fact, many excellent players were not even starters because "excellent" was simply common-place on the team. Next year's Juniors and Seniors will have to work extremely hard in order to fill the gaping holes left by this year's strong contingent of Seniors.

Gale Harriers Pleased With Season Results

Lancaster High School's 1970 cross-country team completed an excellent season under the able guidance of Head Coach Bob Reall and Assistant Coach Terry Oerhtman. An extremely young team, comprised mostly of Sophomores and Juniors, fought its way into what has already become an L.H.S. tradition in cross-country: winning. Senior Co-captains Scott Hammond and Dave Morehead provided the necessary leadership for a great team, while Juniors Nathan Bush, Mark Welker, and Larry (Shrub) Bush repeatedly led the Gales in competition. The team early in the season became determined to win the District and go on to the State, and nothing stopped them. The Gales wound up their exciting season with a final rating of 19th in the State.

Young Gales Retain Spirit And Enthusiasm

Lancaster High School's basketball team fought its way through a difficult and ultimately disappointing season. Many individual standout performances, however, were visible from game to game. The sparkling ball handling of guard Brian Arledge combined with the deft shooting of Powers and Miller and steady play of Boyer, gave the Gales a formidable weapon against teams which did not hold too much of a height advantage. In many games the Gales found themselves just too small to get their share of rebounds. Two outstanding games, the near upset of State ranked Zanesville, and the upset of Columbus Whitehall, gave the smaller Gales a glimmer of hope for the post-season tournament. Jackson, however, snuffed out the Gales' hopes in the first game of the sectional tournament, held at Rio Grande College. Even so, the young Gales have much to look forward to next year.

All-C.O.L., All-District, and All-Ohio honors were attained by Chris Vandenoever throughout the course of the 1971 season. Vandenoever managed to set five school records, and after a fine District showing placed 8th and 10th in the State 50 yd. and 100 yd. Freestyle.

Swim Team Gains State Recognition

The 1971 Swim Team, under the coaching of Dennis Neff, swam its way to a 6-4-1 won-lost record. Co-Captains Rick Ryman and Dave Van Gundy provided the leadership necessary for a winning team, while Chris Somers and State-rated Chris Vandenoever repeatedly lead the way in the pool. Throughout the year Lancaster swam against some of the stiffest competition in the state, which makes only the second winning swim season for LHS even more gratifying. Next year's team with its fine crop of underclassmen has much to look forward to.

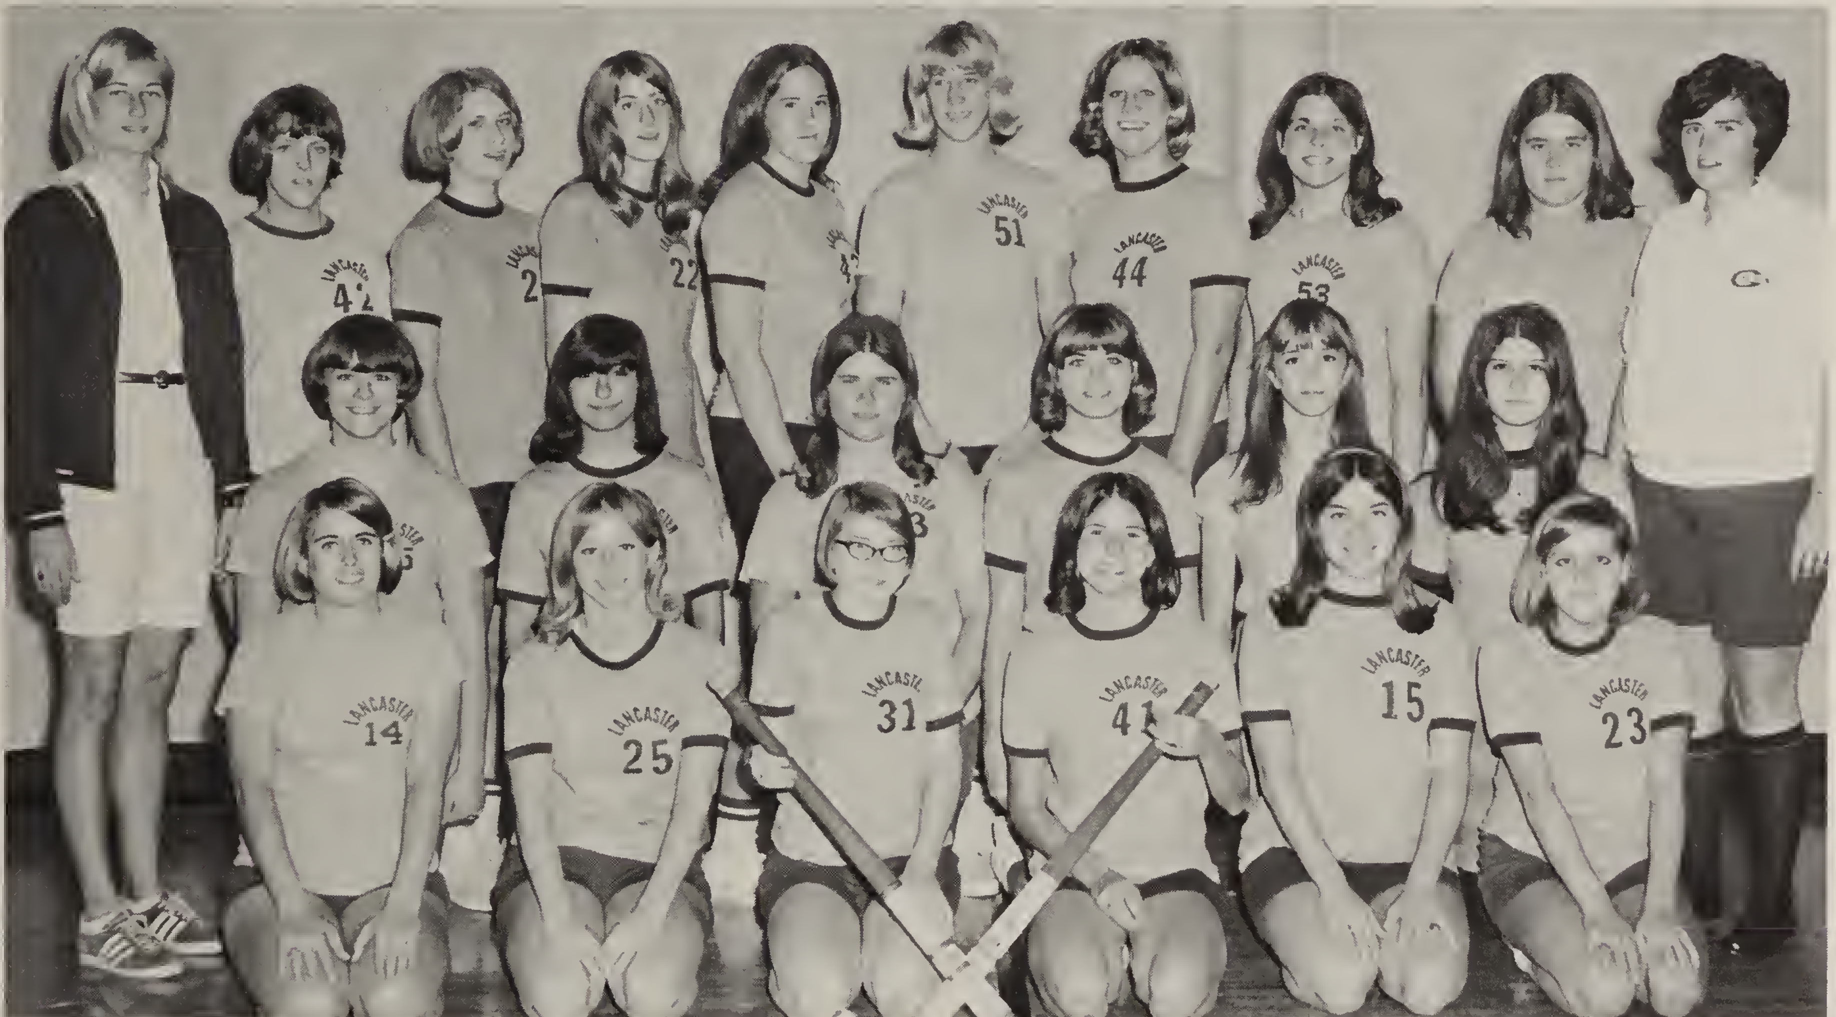
Hockey Team Best Yet

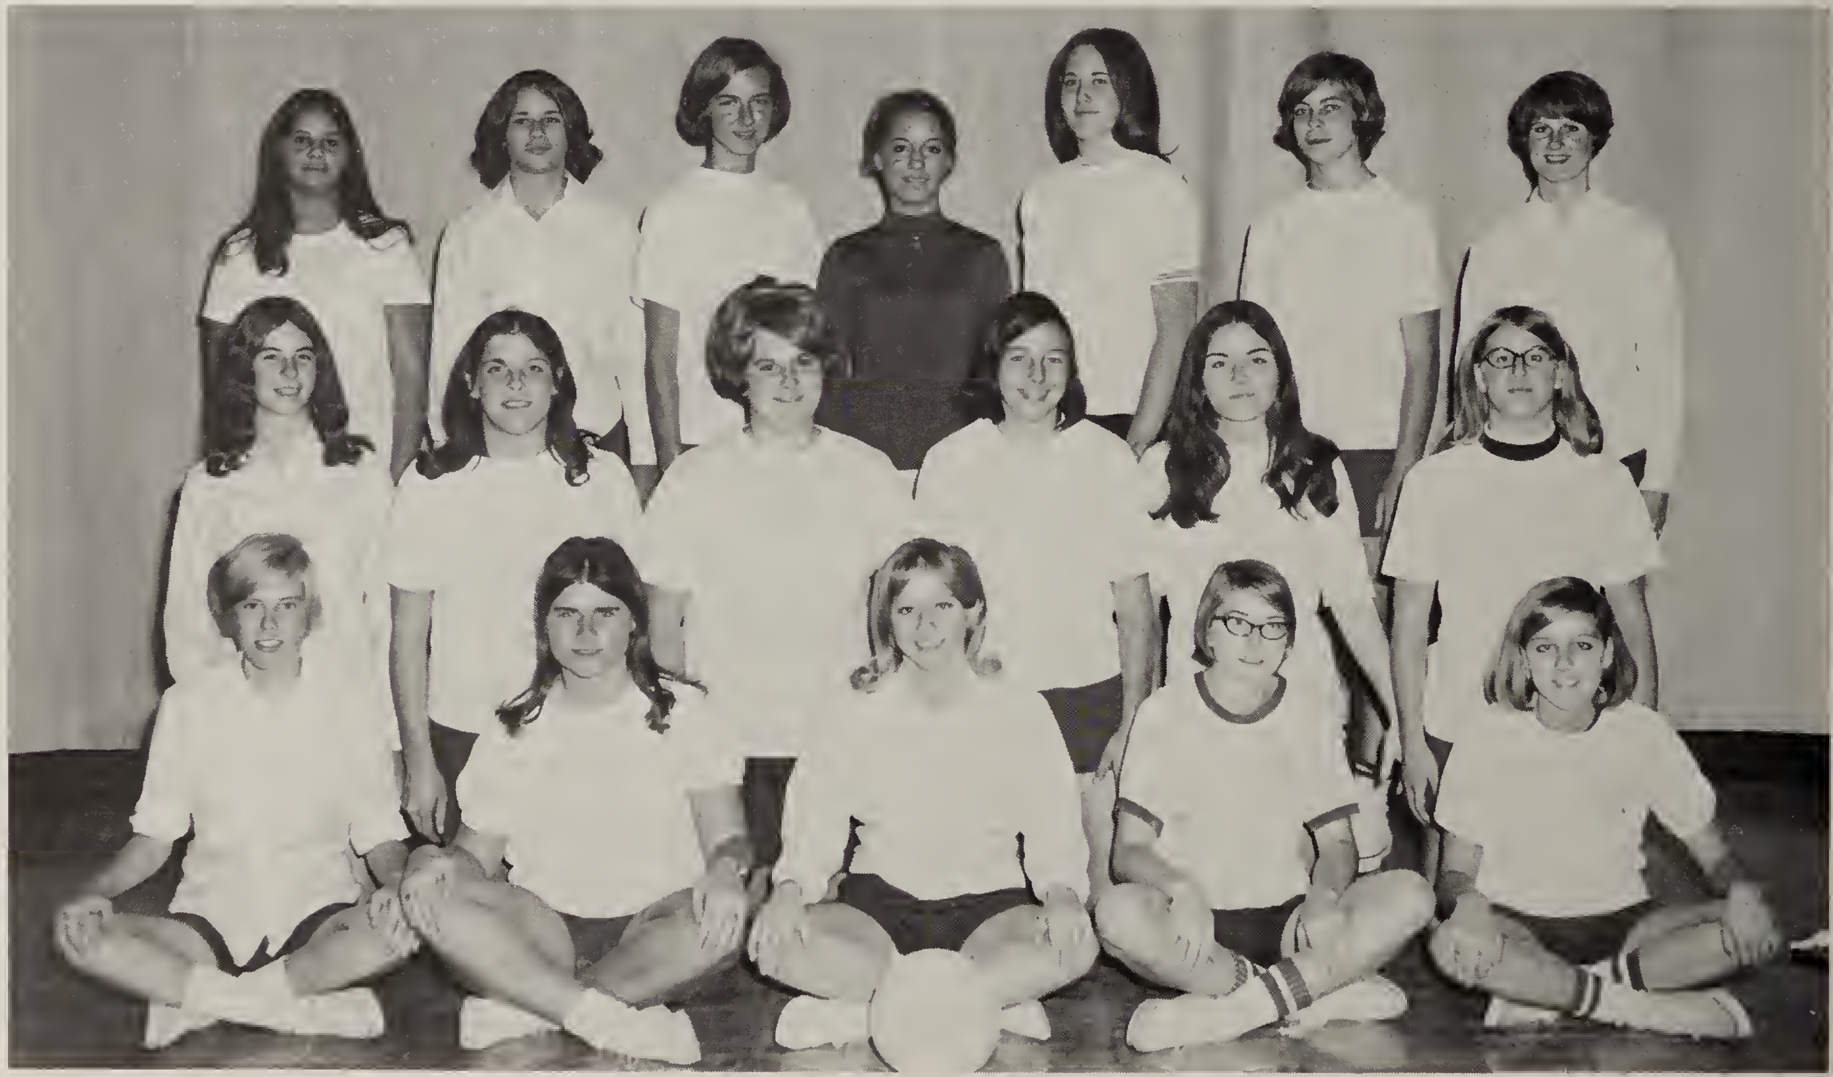
The girls' field hockey team, gaining confidence year by year, had it's best season this fall with 2 wins, 3 losses, and 1 tie. Hockey is a relatively new sport at Lancaster, but is steadily gaining support and recognition. This year's team was ably coached by Mrs. Baughman, Miss Kubach and a different captain chosen each week. The girls' voted Karen George "Most Valuable Player." The team, consisting mainly of juniors, hopes to better this year's record next fall.



First Row; J. Crossen, C. Christian, K. Blackford, P. Sims, B. Vollmer, K. George. Second Row; T. Wagner, D. Denton, S. Jones, C. Munchmeyer, J. Nauman, V. Williams. Third Row; P. Kubach, ass't coach, E. Miller, B. Waliser, L. Monger, L. Hatcher, L. Blosser, B. Menson, D. Wernet, Mrs. Baughman, coach.

Another Great Season

The Girls' Volleyball Team had an undefeated season under the coaching of Mrs. White. The girls captured the Licking-Fairfield League with a brilliant record of 6-0. Lynn Hatcher was voted "Most Valuable Player," although all the girls strived to improve the team's coordination. Next year will prove to be another great season.



First Row, V. Snider, S. Jones, C. Christian, K. Blackford, K. George. Second Row; C. Hieke, P. Bailey, B. Wiseman, R. Clark, D. Laurent, K. Bailey, Third Row; T. Scardina, G. Helm, R. Rarobeck, Mrs. White, coach, L. Hatcher, R. Shaffer, C. Wildermuth.

Girls Gain Skill And Confidence.

This year's Girls' Basketball Team, with many problems to overcome, has stayed together solely from enjoyment of the game. A new rule prevented the girls from playing in the league, because of their male coach, Paul Lynn. The team, advised by Miss Waldvogle, played scrimmages with several surrounding schools to acquire skill and confidence, which gives promise of an exciting season next year.

Lancaster High School Cheerleaders Are Tremendous For Teams, School, And Community

This year's group of dedicated girls who served as cheerleaders are to be commended for their outstanding performance in stimulating school spirit and good sportmanship, whether our Gales were winning or losing. These girls not only cheered the Gales to victory in the big sports, but also diligently supported those sports which are often ignored by the average spectator. The walls of L.H.S. were kept covered with signs which boosted the morale of not only the athletes, but of the students, faculty, and administration as well. Perhaps the Cheerleading Squad was never a factor in the outcome of any of the sporting contests, but as one looks back over the year, he soon realizes that ultimately it is not the outcome that is important, but the type of sportmanship ably demonstrated by our cheerleaders that is truly significant.
